(16.09.2011)

The Joint Technical Secretariat of the Bulgaria - Turkey IPA Cross-border Programme organized an “Open Days” for individual consultations in the JTS Haskovo, Bulgaria, which was held on 14 and 15 September 2011. The objective of the event was to give further information on launching sub-tendering procedures in the frame of the first and second trimester from the projects implementation.

Totally 23 projects and 45 experts with respective duties from the project partners' teams from both Programme countries had an opportunity to receive answers to their questions mainly concerning the themes of sub-tendering procedures under PRAG rules and project progress reporting issues. Individual consultations have been performed by experts from Managing Authority (MA) and Joint Technical Secretariat (JTS).

Through discussions with beneficiaries, the results of this event will be helpful for the future implementation of the projects and contribute to achieve the goals of the Programme.

As a result of the consultations carried out during the “Open days”, the JTS will publish a list of FAQ on the official web-site of the Programme.
